

Addie Imseis

Speaker, Panel Moderator, Workshop Leader,

Addie Melsheimer Imseis is a Partner and Senior Consultant with Smithworth Consulting. She is a registered nurse with a Masters degree in Health Policy and Systems Management.

Notable recent projects include co-writing statewide point-of-sale prescription opioid policy, revising statewide evaluation tool for Louisiana Supreme Court evaluation of Drug Courts, and coordinating disaster relief which facilitated service of 100,000 chef-prepared, donated meals.

Additionally, Addie has co-owned an internationally distributed manufacturing company. In her free time, Addie enjoys practicing yoga, tending to her vegetable garden, and sharing home-baked goods with neighbors. She lives in the New Orleans metro area with her husband and three children.
