

Erin Loman Jeck

INFLUENCER | CONSULTANT | SPEAKER | AUTHOR

INTRODUCING ERIN

Erin Loman Jeck is a powerhouse in the world of public speaking, a seasoned Executive Speaking Coach, TEDx Speaking Coach, and the visionary behind the Transformational Speakers Agency. With a career spanning over two decades, Erin has become a sought-after business coach and speaker, captivating audiences worldwide with her insights into the psychology of connection for persuasive speaking.

As the CEO of Transformational Speakers Agency, Erin has redefined the landscape of public speaking, pioneering innovative approaches to inspire and influence change through the power of words. Her journey into this field began with a profound understanding of the Psychology of Connection, a cornerstone of her speaking philosophy.

Erin's path to becoming an influential voice in the speaking industry is remarkable. She transitioned from a successful business coach to founding her own Speakers Agency, a testament to her dedication to helping individuals and organizations monetize their message, make a significant impact, and inspire action in others. Her unique approach emphasizes not only the art of speaking but also the science of forging genuine connections.

Speaking Topics

Psychology of Connection

"Psychology of Connection" is a captivating exploration of the profound human need for genuine connection and how it can be harnessed to influence, inspire, and create lasting change. With warmth and insight, Erin unveils the secrets to building trust and rapport with any audience. Her talk reveals how understanding and applying the psychology of connection can turn mere words into powerful instruments of transformation. Whether speaking to a room full of leaders, entrepreneurs, or anyone eager to forge meaningful connections, Erin's presentation will leave your audience inspired to connect, communicate, and catalyze positive change in their lives and the world around them.

Unlocking the TEDx Stage: Your Roadmap to Landing a Talk

In this empowering talk, Erin Loman Jeck shares the insider secrets and proven strategies for landing your very own TEDx talk. Drawing from her extensive experience as a TEDx speaking coach and a sought-after speaker herself, Erin guides you through the intricate journey of crafting an idea worth spreading. Discover the art of persuasion, storytelling, and the Psychology of Connection that will make your TEDx pitch unforgettable. If you've ever dreamt of standing on the red dot, this talk is your blueprint to make it happen.

Abundance Unleashed: Breaking Through Your Wealth Barriers

Join Erin Loman Jeck on a transformative journey as she reveals the keys to overcoming abundance blocks and unlocking your true potential for prosperity. In this compelling talk, Erin delves into the deep-seated beliefs and habits that may be holding you back from the life you desire. Through a blend of psychology, personal growth, and practical advice, she empowers you to shatter limiting beliefs and open the floodgates to abundance. If you're ready to rewrite your financial story and live a life of true wealth, this talk is your roadmap to abundance unchained.

What people are saying...

"Definite Transformation!!!

Erin Loman Jeck is a powerhouse from the stage! She has a special gift of inspiring audiences to fully embrace their unique message and to get into action in speaking that message into the world. Erin will ignite the fire in your attendees and give them a clear direction with her signature mix of coaching genius, action oriented motivation, tactical techniques and insightful brilliance. If you have a chance to hire her for your event, do it. She is worth her fee."

Why Hire Erin

At the heart of Erin's speaking methodology is the Psychology of Connection, a concept that resonates deeply with both seasoned leaders and aspiring speakers. She demonstrates how unlocking an audience's trust and rapport can be a game-changer. Erin's presentations leave audiences not only feeling better about themselves but also eager to adopt new ideas and perspectives.

Erin's influence extends to the highest levels of corporate leadership. CEOs, executives, and decision-makers in the C-suite of organizations seek her out to enhance their ability to influence and inspire change. Her guidance empowers these leaders to become more effective communicators and visionaries within their respective domains.

Erin Loman Jeck is more than a speaking coach; she is a catalyst for transformation. Her expertise and charismatic presence on stage make her an ideal addition to any event. If you're an event organizer looking to engage and enlighten your audience on the power of persuasive speaking and the Psychology of Connection, Erin is your trusted partner. Bring her to your stage, and watch as she empowers your audience to communicate, connect, and catalyze change like never before.
